Tangent Club International

Newsletter 2/December
2019

TCI President Paula Farnfield

Where has the summer gone? To everyone who was in Marrakech I hope that the memories are still keeping you warm.

Lots of you have been attending your own country AGMS and you have let us have your views on funding of the elected Board from 2020, so now this year's Board are putting together the proposals to go forward to the AGM in April, you will be hearing about these in the new year.

Lift is a little quieter for me as I've not travelled on TCI business since Morocco so I've caught up with the cleaning, met with friends and managed to have a bit more in the fridge than the preserves and champagne. I'm looking forward to the LCI MTM in Pornichet, France in January then hopefully the Tangent India HYM in February.

Some of the meetings to look forward to next year are listed below, remember you can attend any meeting in any country if you would like, don't forget to tell us about any of the events you have planned so that we can include them in future newsletters.

Keep warm for those of us with the chilly weather or cool for our members in the warmer countries, stay happy and whatever you do

Make Every Moment Count

TCI HYM – THE MEETING

First of all I must say wow! 89 ladies participated in the fifth Half Year Meeting of Tangent Club International. That's truly exceptional! We're just so sorry the air condition was almost non-existing. Thank you ladies for coping! We are so proud of you!

We are equally proud that so many dignitaries from our brother and sister organisations in the Round Table family came to greet us. Thank you to each and everyone of you!

As always the HYM starts with reports. President Paula and treasurer Inger-Lise briefed us about what the international board has been

working with and about the finances. After that all the full member countries gave their reports and I'm impressed of all the enthusiasm, creativity and hard work Tangents around the world are pouring into their organizations. Well done!

The TCI Board had prepared items for discussion that had been sent out to the countries beforehand, together with questions raised by member countries and everybody came fully prepared. Among the items were questions regarding how to handle the upcoming elections of the TCI Board, what the TCI budget should cover and how to reflect that in the capitation fee and visibility

of TCI in the future through webpage and/or social media. The HYM is not a decision making meeting but the lively and well informed discussions provided the board with plenty of information how to continue our work preparing proposals for the AGM.

We ended the meeting with a discussion about the way forward regarding Tangent Club International and the Round Table family and as always when the subject is very important and engaging, the discussions were lively and many different opinions were heard. I would like to thank all the participants for showing such great interest in Tangent Club International and for sharing your views and caring about our future. Without you, TCI would be nothing!

Anna, TCI secretary

even if you no longer have the ticket, just tell us where you bought the ticket and who from.

If the prizes remain unclaimed the will be added into the draw in Brussels.

HYM SWEDEN

The 16th of November 89 Tangents and Old Tablers from four different countries got together at Hjortvikens conference in the south of Sweden. The weather and the surroundings were just wonderful. It all started with the registration. It's so nice to of hugs. As always we had a Champagne lottery (6 liters of Taittinger went to one of our brother and hopefully he will invite us for the grand opening ;-))

Everybody checked in and then met up at the bar. During dinner there were singing and speeches and after dinner we danced and danced... felt it in my feet the day after. **The**

HYM started at 11am, the three candles were lit. We got a lot of greetings from other countries which we thank you all for. The meeting went

very well and I'm especially very proud of the amount of money we managed to raise for charity. 13 500 euros and to top it all off National President of Tangent Sweden Carin Carlström was honored to charter a new Tangent Club from Gothenburg. We are growing and getting more sisters.

After the meeting we had lunch and were able to have some free time. Before dinner everybody gathered around the bar again. At dinner the table seating were different wine grapes. I sat at the Riesling table and we had a lot of fun and met a lot of new friends.

During the weekend there were two TOA SHOTS and if you don't know what that is come on over and I'll show you.

Carin Carlström was honored to charter a new Tangent Club from Gothenburg →

This was my third HYM as Tangent member of three years, but I feel this is just the start.

As Vice President of Tangent Sweden the planning of the next HYM2019 has just begun and I'm looking forward to meet you all then so...

Welcome to Sweden and Let the friendship continu

The Danish Efterårsmøde October 2018

Our Efterårsmøde (= the Danish HYM) took place in October in Sønderborg – some of you might had been there in 2017 to join the LCI.

Friday night was a side by side arrangement with

Ladies Circle. It was a great night with lots of fun and some good speeches. I enjoyed being with the younger women – love to be inspired by them.

Saturday we had our Tangent meeting. We had good debates and a joyful atmosphere. We discussed how to form Tangent Denmark in the future so more members will join.

Our president, Mona Boesen, had arranged a special Tangent GT to all of us to taste – fantastic! You have to come to Denmark and taste it yourself – just saying 😊

Paula F.:

It is with extreme sadness that I must share with you the news that Elena Charalambidou, President Tangent Cyprus passed away 9. December.

Whilst her many achievements will not be forgotten; President LC Cyprus, President LCI, President Tangent Cyprus, Founder member TCI, Board member TCI, she will live on in the memories of her many friends worldwide who will remember her often and fondly with laughter and tears. I am grateful for the time I spent with her in Cyprus earlier this year.

Our love and prayers are with Makarios and all of the family as they face this unimaginable change to their lives.

*Elena would be fondly remembered for being an amazing woman. We will never forget her motto "All for one, one for all, all for Love"
Rest In Peace dear Elena.*
