### TCI AGM 2016

On a beautiful sunny Saturday the second TCI AGM took place in Germany on the 23<sup>th</sup> April 2016, the event were hosted by OT 153 Landshut and we had the pleasures of welcoming 65 participants from 8 countries including the LCI President Ruth Hugwe - Rukarwa and the RTI Vice President Kai Kostinander for the TCI AGM.

As always we start the AGM with a glass of champagne ☺ and the OT 153 Landshut showed to be perfect to host the TCI AGM event ☺

The TCI AGM was visited by the ACI President and Thao gave greeting for the meeting.

At the AGM the TCI Councillors and the TCI Board voted in favour of:

- Capitation Fee for full member countries in TCI
- Open elections for the TCI Board from 2019 Vice President and from 2020 Treasurer and Secretary

Again this year we have received application for membership of TCI and at the AGM we were happy

## TCI NEWSLETTER 2016-2017

to welcome Tangent Israel as associate member of TCI, the Tangents of Israel are already very active – and you should all enjoy visiting their facebook group and follow the event of Tangent Clun Israel. We hope to be able to welcome participants from Tangent Club Israel at the TCI AGM 2017 in Blackpool, England.

I look forward to see you all and to learn of new friends amongst the world of Tangent in the years to come – and to be able to spend all my time with you.

It might have been a bit stressful planning the TCI AGM as everything we do is still a lot of first, but after this AGM we will do a lot of seconds – and our new TCI President Anna Åkesson will cement the work done during the past 2 years.

The new TCI Board was inducted and I look forward to follow Anna and her team in the year to come.

For me it is time to say thank you and goodbye, thank you to all Tangents, Circlers, Tablers and 41'ers around the world that for the past 8 years have supported the birth of TCI and helped on the way to our Charter, the first and the second TCI AGM.

Extend your hand in friendship  
YOURS
